22 STRONG SUPPORT THEIR SACRIFICE

The "22 Strong" Event hosted by Building Change is a fundraising walk targeted to benefit Veteran's charities. Participants will walk 22 Miles starting at Wright Construction Services, Inc. on a designated route ending at Wright Construction.

The purpose of this walk is to show our support and solidarity with US Service Members who have served, who currently serve, and for those who have sacrificed everything in service to their country. 22 Miles was chosen to represent the 22 Veterans who commit suicide each and every day – a statistic we are fighting to eliminate.

2020 Walk Event Recipients: Focus Marines Foundation; Gateway Blue Star Mothers; Got Your Six Support Dogs; Joshua Chamberlain Society; Mission 22; Six String Heroes; and St. Charles County Veteran's Museum.
